

Energy Chemistry Engineering

What you will learn in this program

This major aims at cultivating excellent professionals who can master the basic theory, basic skills and chemical processing technology in the process of fossil and renewable energy production, clean transformation efficiently, grasp the enterprise energy efficiency evaluation methods, process energy optimization and other technologies, and master the process design skills of energy and chemical industry.

Courses you'll take

- Inorganic and Analytical Chemistry
- Natural Gas Treatment and Conversion Engineering
- Petroleum Refinery Engineering
- Chemical Reaction Engineering
- Principles of Chemical Engineering

- **Teaching languages:** Chinese
- **Tuition:** 25000 RMB/Year
- **Course start date:** September
- **Course duration:** Four Years

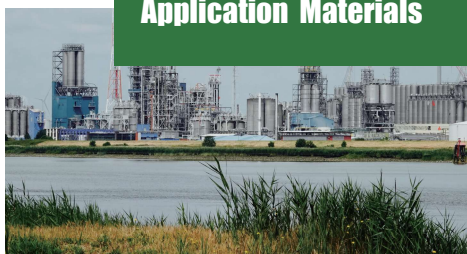

Application Requirements

1. Non-Chinese citizens, in good health
Applicants should be non-Chinese citizens. In the case of former Chinese citizens, they should have proof of having obtained a foreign citizenship for more than 4 years and with a valid passport.
2. Education and age requirements
Those applying for undergraduate study must be high school graduates with excellent grades, and not more than 25 years old.
3. Language requirements
 - a. HSK4 (with a score of 222) or higher level for those applying for Chinese taught programs.
 - b. IELTS 6.0 or TOEFL 75 points or more for non-native speakers of English choosing English taught programs.

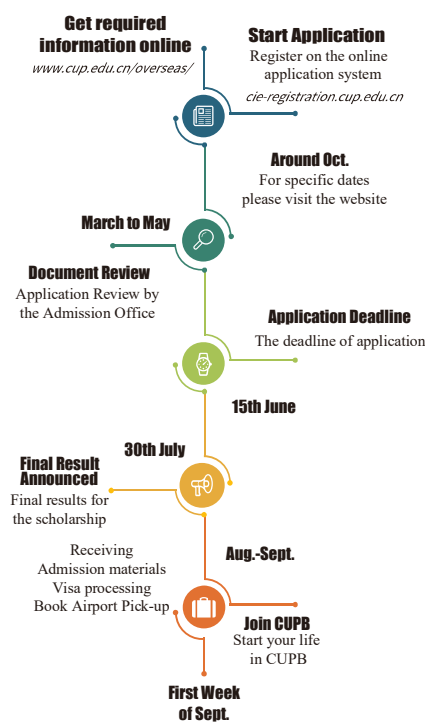

1. Certified highest diploma, and transcript with an average of over 70% (notarized documents)
2. Copy of Passport home page, and soft copy of your passport photo with white background, photo size 480x720
3. CUPB Application form or CSC form (for applicants who are also applying for the CSC scholarship)
4. Study Plan
5. English or HSK Proficiency Certificates (undergraduate students who have studied in English for two or more years during their study experience may also submit official certificate issued by school instead of IELTS or TOEFL scores.)
6. Physical Examination Report (laboratory reports must be attached)
7. Non-criminal Record Certificate
8. Students less than 18 years old need to find a guardian for their period of study in Beijing before they begin their studies, this person must be a resident of Beijing. They also need to provide the guardian document (should be notarized by the China Embassy in their own country)
