

Supervisor Acceptance Letter

As one of the application materials, the supervisor Acceptance Letter is an important requirement provided by supervisors of China University of Petroleum-Beijing. You can find the contact information of the corresponding supervisors on the website, or you can use the “[How to find a supervisor Guidebook](#)” for some tips during your search for a supervisor. After you get a supervisor, request your supervisor to issue you an acceptance letter using the university [E-Service system](#) and send you a copy.

This part is completed by your supervisor in the university [E-Service system](#) after which a Supervisor Acceptance Letter will be generated automatically and can be sent to you.
