

ZHANG Shicheng

Ph.D., Professor, Vice President of China University of Petroleum, Beijing

Email: zhangsc@cup.edu.cn TEL: +86-10-89733047 Fax: +86-10-89733047

Address of Office: Room 1510, Tower A, the Main Building, 18 Fuxue Road, Changping District, Beijing 102249, China

Education

Ph.D., Oil-Gas Field Development Engineering, China University of Petroleum, Beijing (China), 2003

M.S., Oil-Gas Field Development Engineering, China University of Petroleum, Beijing (China), 1989

B.S., Oil Production Engineering, East China Petroleum Institute (China), 1986

Research Areas and Interests

Theory and Technology of Oil Production Engineering

Hydraulic Fracturing Stimulation Technology for Low-permeability and Unconventional Reservoirs

Theory and Engineering of Oil and Gas Field Development

Teaching

Oil Production Engineering (China National Top-quality Course)

Work Experiences

2008.09–present, Vice President, China University of Petroleum-Beijing, China

2004.06–2009.11, Director, Academic Affairs Office, China University of Petroleum-Beijing, China

2001.06–2004.05, Associate Dean, Department of Petroleum Engineering, China University of Petroleum-Beijing, China

1995.05–2001.05, Associate Director, Faculty of Petroleum Engineering, China University of Petroleum-Beijing, China

1989.09–present, Professor, Department of Petroleum Engineering, China University of Petroleum-Beijing, China

Other Appointments

Vice Mayor of Karamay City, China

Director of the Administrative Committee, China University of Petroleum-Beijing At Karamay

Other Professional Affiliations

Chinese Petroleum Society

Society of Petroleum Engineers

Honors and Awards

Laureate of the Second Prize of China National Technology Invention Award in 2012.

Laureate of the First Prize of Provincial and Ministerial Level Scientific and Technological Progress Award in 2010.

Laureate of the Second Prize of Provincial and Ministerial Level Scientific and Technological Progress Award in 2009.

Laureate of the Second Prize of China National Teaching Achievement Award in 2013.

Laureate of the First Prize of Beijing Outstanding Achievement Award in 2013.

Laureate of the Second Prize of Beijing Education and Teaching Achievement Award in 2008.

Winner of Beijing Excellent Teacher Award in 2007.

Grantee of Beijing Outstanding Young Backbone Teachers in 1998.

Prof.Zhang's lecture course "Oil Production Engineering" has been authorized for Beijing Top-quality Course in 2006, China National Top-quality Course in 2008, and China National Top-quality Resource Sharing Course in 2013.

Publications

Prof.Zhang has edited or co-edited 3 monographs, i.e. "Theory and Technology of Hydraulic Fracturing", "The Principle and Design of Oil Production Engineering" and "Numerical Calculation Method of Hydraulic Fracturing Design". Prof.Zhang has also authored or co-authored more than 100 technical papers in recent years.
